
Tech 9 Assignment

Purpose:

- Your job is to pick a product of your choice (example: iPod, Makeup, Shoes, etc.) and explain its uses and why it's important. The purpose of this project is to interest people by persuading them that your product is the best.

Criteria:

- ✓ Product must be school appropriate (no violence, alcohol, drugs, inappropriate content)
- ✓ Presentation must be 2-3 minutes long
- ✓ Presentation should include multiple slides, pictures or diagrams
- ✓ Word limit per slide is 6 (words are not necessary every slide)
 - You are allowed to use presenter view

Steps:

1. Choose a product
2. Research the uses and importance of the product
3. Find appropriate pictures that support your argument
4. Find words that match your pictures
5. Build your PowerPoint
6. Practice the presentation so it is between 2-3 minutes
